### THE ROLE

We are looking to expand our list of freelance technicians to work with us. These technicians are responsible for the safe installation, operation, and touring maintenance of effects systems on live events and touring productions. This includes working closely with other departments at BPM SFX to deliver high-quality effects in line with creative requirements, while ensuring compliance with health and safety standards. This role is open to anyone who is looking to add themselves to our list of freelance contacts.

### KEY RESPONSABILITIES

- Assist with preparation and testing of SFX and Laser equipment prior to deployment
- Liaise with Project Managers, Technical, and Coordinator's to understand requirements
- Install and rig technical SFX and Laser units and equipment
- Work at height where required
- Complete system checks and testing prior to rehearsals or show
- Operate SFX and Laser equipment during live performances
- Maintain consistency across shows
- Respond quickly to technical issues under pressure
- Maintain compliance with local regulations, permits, and licensing requirements
- Travel domestically and internationally as part of touring productions

### ESSENTIAL SKILLS

- Experience working in live events, touring, or production environments
- Ability to work long, irregular hours and travel frequently
- Strong communication, teamwork skills, and problem solving under pressure
- Ability to travel to our Oak Mill HQ
- Full UK Driving Licence

### DESIRABLE EXPERIENCE

- Experience with SFX or Laser systems
- Knowledge of timecode-based programming and control systems
- Relevant certifications (e.g., IPAF, PASMA, pyrotechnics licences, laser safety)
- An education based around the live events industry
- Varied live event portfolio

### WHAT WE OFFER

- Experience within a respected and growing live events company
- Varied projects across major UK and international shows
- Competitive salary, commensurate with experience
- Opportunities for professional development
- The chance to shape an exciting, creative industry

### HOW TO APPLY

To apply, please send your CV and a short covering letter outlining your relevant experience to [jobs@bpm-sfx.com](mailto:jobs@bpm-sfx.com).
