- Maintain compliance with local regulations, permits, and licensing requirements
- Travel domestically and internationally as part of touring productions

### ESSENTIAL SKILLS

- Experience working in live events, touring, or production environments
- Ability to work long, irregular hours and travel frequently
- Strong communication, teamwork skills, and problem solving under pressure
- Ability to relocate to near our Oak Mill HQ
- Full UK Driving Licence

### DESIRABLE EXPERIENCE

- Experience with SFX or Laser systems
- Knowledge of timecode-based programming and control systems
- Relevant certifications (e.g., IPAF, PASMA, pyrotechnics licences, laser safety)
- An education based around the live events industry
- Varied live event portfolio

### WHAT WE OFFER

- A key role within a respected and growing live events company
- Varied projects across major UK and international shows
- Competitive salary, commensurate with experience
- Opportunities for professional development and further qualifications
- The chance to shape an exciting, creative industry
