

D-PREP TECHNICIAN

CAREERS

DETAILS

Location: BPM SFX Oak Mill HQ (with travel)

Contract: Full time, permanent

Salary: Dependent on experience

Positions: 1

THE ROLE

The D-Prep Technician plays a vital role in ensuring that all SFX and Laser equipment is thoroughly prepared, tested, and ready for deployment across live events. This position requires a strong foundation in electrical and mechanical skills, a keen eye for problem solving, and the ability to work efficiently both independently and as part of a wider team. You will be responsible for carrying out system checks, identifying recurring faults, implementing service schedules, and maintaining the high standards.

KEY RESPONSABILITIES

- Utilise basic electrical and mechanical fundamental skills
- Liaise with Technical and Operational Managers to understand tasks
- Identifying D faults that are reoccurring issues
- Have a keen eye for complex technological problem solving
- Complete system checks and testing prior to truck loads
- Using your own initiative and implementing service schedules
- Maintain consistency and standards across your work
- Respond quickly to technical issues in short time frames
- Be comfortable working alone or in a team as well as working with other departments
- Assist with preparation and testing of SFX and Laser equipment prior to deployment

ESSENTIAL SKILLS

- Experience working in live events, touring, or production environments
- Ability to work long, irregular hours both early and late
- Strong communication, teamwork skills, and problem solving under pressure
- Ability to relocate to near our Oak Mill HQ
- Full UK Driving Licence

DESIRABLE EXPERIENCE

- Previous employment within a technical type of role
- Any relevant certifications that might contribute to the position
- An education based around the live events industry
- Experience with SFX or Laser systems
- Work around live event environments

WHAT WE OFFER

- A key role within a respected and growing live events company
- Varied in-house types of work and projects
- Competitive salary, commensurate with experience
- Opportunities for professional development and further qualifications
- The chance to shape an exciting, creative industry

HOW TO APPLY

To apply, please send your CV and a short covering letter outlining your relevant experience to jobs@bpm-sfx.com.
